

Also Available in Maroon

This standard performance wrist strap set features a fully adjustable stretch fabric wristband and coil cord. The wristband provides a 360 degree conductivity around the wrist for maximum skin contact. Wristband curling is reduced by the woven wristband fabric. This wrist strap features an adjustable fabric wristband with a 6-foot retractable coil cord, alligator clip and a 4mm snap. Wristband available in blue or maroon. Meets ANSI/ESD S20.20 and ANSI/ESD S1.1.
